**Wine name:** Righteous Riesling

**Appellation:** Mosel

**Vintage:** 2010

**Bottle size:** 750ml

**Alcohol:** 9% by VOL.

**Case size:** 12 bottle pack

**Characteristics:**

Delightful jasmine and pear aromas with apple, peach and a hint of lemon cream pie on the finish.

**Food pairing:**

Crab cakes, chicken and apple salad, spicy curry or sushi rolls.

**Description:**

Riesling has been called the "other white grape," and as Germany's greatest grape, Riesling certainly is not like any other white wine. It's a dynamic grape that is crafted in delicious blends or single varietals across the world. But it is Germany that brought it to fame with distinguished, century-old winemaking techniques. Made of 100% Riesling grapes from the Mosel region, Righteous blows over the competition with its medium, lush body, good finesse and acidity, while pleasing the palate with notes of apple, lemon and soft nectarine. Easily pairable to a number of dishes, including those heavier, creamier fares popular this Fall/Winter season.

Righteous Riesling is a genuine example of fine German Riesling traditions and quality. As luck would have it, Righteous was born from the consumer's request for "easy to understand," "enjoyable," "simple" wine. In fact, German wine laws have changed within the past few years, allowing flexibility to the wine producers to craft unique, single varietal wines. This change paved the road for the creativity of a younger generation of winemakers inheriting family vineyards.

Righteous is a quaffable, elegant Riesling with a signature German style that is light and delicate with pleasant floral, mineral and fruit aromas and flavors. It is quite the crowd pleaser. Serve your family, guests, or enjoy by yourself with shellfish, white meats, pasta or noodles. Best of all, share with the ones you love during the Holidays!
